ACCOUNT TRANSFER CLIENT DISCLOSURE

In our business we are dedicated to continually improving client service. This Client Disclosure document was developed to help you understand the account transfer process. It is important to read this document carefully before signing the section called CLIENT AUTHORIZATION on this Account Transfer form. Should you have any questions after reading this section, please be sure to address your inquiries to your Receiving Institution's Representative.

What is the difference between "IN CASH" and "IN KIND"?

"IN CASH" means that all your assets which are not currently held as cash are to be liquidated, sold, redeemed, etc. in order that your account can be transferred to the Receiving Institution in the form of cash.

IT IS IMPORTANT TO NOTE THAT IF YOU HAVE INDICATED AN "IN CASH" TRANSFER OF YOUR ACCOUNT, ALL TRADES WILL BE EXECUTED AT MARKET. ALL TRADES WILL BE PLACED ON A BEST EFFORTS BASIS SUBSEQUENT TO THE RECEIPT OF THE TRANSFER FORM AND ARE SUBJECT TO NORMAL COMMISSION CHARGES. IN ORDER TO AVOID DELAYS, YOU MAY PLACE TRADES YOURSELF WITH THE RELINQUISHING INSTITUTION AT THE TIME OF SIGNING THIS TRANSFER FORM.

"IN KIND" means that you want the assets in the account transferred, as is. If you hold investments and a cash balance, then the investments will be transferred as well as the cash balance in their current state, if the assets can be transferred.

How long will my transfer take?

The time required to transfer the account will depend on the type of asset you are transferring. Please note that all your assets may not be transferred at the same time.

Types of Investment Products

For Stocks and Bonds

Under current IDA guidelines, this type of transfer generally takes between 10 - 25 business days from the time of receipt by the Relinquishing Institution, subject to the exceptions below. Non-IDA member institutions may or may not observe similar guidelines.

For Mutual Funds:

Mutual Funds from other financial institutions (ATON) take 5 - 10 business days from the time all necessary documentation is received by the Receiving Institution.

For Guaranteed Income Certificates (GICs):

Often a Guaranteed Investment Certificate (including Term Deposits) is not transferable "IN KIND" (as is) prior to its maturity. Most GICs can be transferred in cash on their maturity. There are some exceptions, please check the terms and conditions with the Institution which issued your GIC.

Please note: Most Scotiabank Group issued GICs are readily transferrable "IN KIND" within the Group.

Other Investments:

There are many other investments which may be non-transferable, non-redeemable or delay the transfer of your account. These investments include mortgages, foreign securities and non-transferable bonds.

Rejected Transfers:

An account transfer request may be rejected by the Relinquishing Institution for a number of reasons, such as, insufficient cash to cover fees, account not in good standing, (i.e. under-margin, outstanding short position). If your transfer has been rejected for any reason by the Relinquishing Institution, they may return the transfer to the Receiving Institution unprocessed. When the reason for a rejection has been rectified, the transfer process will begin again and the Relinquishing Institution may then have 10 - 25 business days, from the date of receipt of the transfer documents to process the transfer.

How much will it cost to transfer my account?

Transfer Fees:

Many relinquishing institutions charge a fee, the cost of which may vary.

Glossary:
